

## **INTRODUCTION TO ISLAMIC BANKING AND FINANCE and 100 TITLES BY PEARSON ON VITALSOURCE PLATFORM**

**If you want to use ebooks on VitalSource platform please, watch this [instructional video](#) or read the following manual:**

### **Manual**

1. If you don't have an account on the VitalSource platform, please first [create an account](#) using your WIUT email.
2. Once you have a VitalSource account ready, you will have to visit [VitalSource Bookshelf](#) to sign in your account.
3. You will be directed to the VitalSource interface, you can click on the **"Explore"** button to see all available titles.
4. You can either scroll down to check the books, or type the title of the book in the search box. For example ***"Introduction to Islamic Finance and Banking"*** or ***"HR management"***.

### ***Some important things you need to know about the ebook:***

- It is essential for you to provide your email and create an account. Then agree on the terms of use.
- Before reading books, you need to add a book to your library. To do so, go to the **"Explore"** section and click on the **"Borrow"** button on the book you want to read.
- You are allowed to use ***"Introduction to Islamic Finance and Banking"*** for **5 days** and **only 10 users** (concurrently) at a time. For other titles, it is **1 concurrent user for 5 days**.

### ***Using the buttons on the left side of the book you can:***

- flip through the book content;
- highlight, take notes and also share the highlighted part with your peers;
- search related information by keywords;
- use additional instructional materials, figures and images of the book;
- change the language, get information about your personal account and other information through the settings;

### ***Moreover, you are allowed:***

- to print out two pages at a time;
- to enhance your text format, change margins and background of your page;
- to listen to the book by clicking on the speaker button;
- to highlight, copy citation and reference details, and copy the URL address.

**NOTE: If you want to use a book off-campus, you have to use WIUT proxy service. How to use proxy service please watch this [instructional video](#).**

**Please feel free to contact us if you need any further information:**
